Sub : Letter of Appreciation for the work done by Indian Institute of Public Health Gandhinagar

Dear Dr. Mavalankar,

I am happy to write this letter appreciating the work which IIPH has done to help Gujarat Government on various issues and policy formation, programme design, documenting government work and helping improve implementation of the health programmes.

The activity undertaken by IIPHG includes the following:-

1. Preparing background note for PPP policy in health sector.
2. Preparing background note on Human Resource in health and delivering a lecture on "Chintan Shibir" organized by Government of Gujarat.
3. Preparing a book of government programmes and another book on Private and NGO based hospitals in Gujarat which was released on Pravasi Bharatiya Day, 2015 in Gandhinagar.
4. Giving inputs in designing and writing report on health seminar organized at Vibrant Gujarat.
5. GIS analysis of existing health centres and suggesting locations for new health centers to be built under 12th five year plan.
6. Developing a set of new architectural design for construction new PHC's and CHC's looking into account the future requirements of health care in the state.

We are happy with the quality of work and active support provided by IIPHG. We hope for the same in future also.

With best wishes & warm regards,

Yours sincerely

(Anil Mukim)
