Call for Papers on the theme
Occupational Stress and Mental Health Issues among Uniformed Personnel in India

Uniformed personnel in India face intense stress because of the nature of their role; there is a need to systematically find ways to alleviate consequential mental health issues that may arise. Indian Institute of Public Health Gandhinagar in collaboration with Bureau of Police Research & Development, Indian Police Foundation and State Mental Health Authority, Gujarat is organizing a National Conference on Occupational Stress Mental Health Issues among Uniformed Personnel in India (October 10-11th 2019) on occasion of World Mental Health Day at Gandhinagar, Gujarat.

Bureau of Police Research & Development invite authors to submit papers for a special edition of Indian Police Journal on “Occupational Stress and Mental Health” by including topics such as stress, burnout, PTSD, depression, anxiety, adjustment reaction etc prevalent among CAPFs, State Police, Fire service, ambulance, coastguard etc. The issue is tentatively planned in October 2019.
