4. Social Health Insurance: India. (With I.Gupta), In Social Health Insurance: Selected Case Studies from Asia and the Pacific. SEARO Regional Publication No. 42, WHO, March 2005.

## **TEACHING EXPERIENCES – POST GRADUATE LEVEL**

---

I am driven to academia because of my interest and passion of teaching. I appreciate interactive learning where I play a role of facilitator. In addition to PowerPoint slides, chalk and talk using whiteboard/chart papers, I use audio cases, video cases, Gapminder datasets and videos, written cases, debates, polls, and different kinds of hands-on interactive activities in my flipped class-room teaching. I use whatsapp based discussion forum, student journal writing, data analysis, and group creativity as assessment methods. I also contribute to internet-based online courses use internet extensively for better learning environment, assessment and examination. I am an excellent mentor, guide, and facilitator to my students.

I have taught following courses to master MPH, MHA, and PGDPHM students of IIPHG.

<b>Title of the courses taught</b>
Essentials of Demography
Health Economics*
Health Financing and insurance**
Health sector reforms, PPP, NRHM
Gender and Health
Introduction to public health and health systems
Project Management
Research methodology
Healthcare leadership and management
Hospital managerial computing
* I have taught this course at IIHMR, Delhi and IIPH Shillong as well
** I have taught this course at IHMR, Jaipur as well

Additionally, I have taught various sessions on different aspects of health management, public health, and health research to a) in-service medical officers of various states of India, b) health officials from provinces of Afghanistan, c) participants of regional trainings on monitoring and evaluation of Measure's project of UNC Chapel Hill, USA, d) International MBA program of Frankfurt School of business and Economics, e) student of other institutions like IIT Gandhinagar, CEPT, Ahmedabad, MS University, Baroda, IGNOU, SIHFW, Gandhinagar etc. and f) other under-graduate colleges in Gujarat.

## **FELLOWSHIP**

---

- Recipient of scholarship place on the UCL health and society summer school on social determinants of health, University College London. 2018
- Recipient of the Public health Research Initiative (PHRI) fellowship for conducting an ethnography study on marginalized population living inside wildlife protected areas of Gujarat. 2015.
- Recipient of the Australian Leadership Award - Fellowship to attend "Short Intensive Professional Program in HIV" at the Sexually Transmitted Infections Research Centre (STIRC), University of Sydney, Australia. 2010.

## **COMPUTER LITERACY**

---

Statistical Packages - Stata 12, SPSS 10, EPI INFO

## **PUBLIC HEALTH FILMS**

---

Apart from teaching, training and research, I have keen interest in creative writing, theater and filmmaking. Over last 2 years, I have contributed to the development of

- 30 TV commercials (40 – 60 seconds) on health and related effects of extreme heat, extreme cold, and thunder and lightning – for national disaster management authority, (NDMA India).
  - Three short films on health awareness around issues of mosquito control, hand-washing and sanitation – ARCADE project
  - Fifteen expert interviews on social determinants of health (SDH) – ARCADE project
  - Demand generation films for IIPHG
- These are available at IIPHG official YouTube channel (Click [here](#))

## **OTHER INTERESTS**

---

- I served as chair of Institutional Ethics Committee of the Indian Institute of Technology Gandhinagar (August 2019 – July 2021) and Serving as Chair, IEC of Ganpat University, Gujarat.
- I am a member of Indian Society of Applied and Behavioural Science (ISABS). I have reached to professional development programme (PDP) phase 1.
- I am a certified facilitator for online and offline unique interpersonal workshop based programme called Values in Health: A Spiritual Approach (VIHASA). Currently serving as regional coordinator for its online component.
- I am a life member of a) Indian Public Health Association, and b) Indian Health Economics and Policy Association.
  - I am a creative writer. A collection of my short stories, monologues, theater reviews and other though pieces are available on my blog [gujaratdiary.blogspot.com](http://gujaratdiary.blogspot.com), Gujarati

poems are available on [poemographs.blogspot.com](http://poemographs.blogspot.com), Hindi poems on [poemographshindi.blogspot.com](http://poemographshindi.blogspot.com). musings during the time of Covid19 pandemics are available on [coronisation.blogspot.com](http://coronisation.blogspot.com), and public health related articles in Gujarati are available on [publichealthdiaries.blogspot.com](http://publichealthdiaries.blogspot.com)

- I have keen interest in wildlife and nature exploration, and photography. I have been marrying my personal and professional interests through grassroots research with marginalized population.
- I have interest in theatre and films. I have contributed to it as an avid audience and as a writer, actor, and collaborator. I have acted on stage, in short films and a web series *Ok! Computer* released on Hotstar in 2021.
