CORE AREAS OF SPECIALIZATION

I have been working as an academician for 16 years now. My core areas of specializations are health economics, health financing and health insurance, monitoring and evaluation of health programmes, health, population and development, Gender and health, and health communication, with special focus on filmmaking. I have also worked on community and health system aspects of tobacco control and diabetes control. I have keen interest in teaching with use of innovative pedagogy.

PROFESSIONAL EXPERIENCE

- Faculty at Indian Institute of Public Health Gandhinagar (September 2008 – till date)
– Currently working as an Associate Professor (Since November 2014)
- Worked as an Assistant Professor (July 2006 – September 2008), **Consultant (Sept'03 – June'06) and Project Officer (April'03 – Sept'03)** in the Health Policy Research Unit of the Institute of Economic Growth, Delhi.

CONSULTING EXPERIENCE

- Consultant to Tata Trusts (India), for evaluation of a project of SEARCH, Gadchiroli, Maharashtra. Nov 2015
- Consultant to WHO SEARO for development of a paper on Health Financing: Issues and challenges in India. October 2010
- Member of consulting team for mid-term review of National AIDS Control programme phase III. 2009
- Consultant to S. R. Tata Trust for evaluation of a project of ASHWINI, Gudalur, Tamil Nadu. 2005
- Member of consulting team for mid-term review of tenth five year plan. 2004

PROFFESIONAL QUALIFICATIONS

- Doctor of Philosophy. Faculty of Management Studies, University of Delhi
2015
- International Professional Certificate in HIV Infection (IPC-HIV), from Sydney University, Sydney, Australia
2010
- Postgraduate Diploma in Health and Hospital Management (equivalent to MBA Degree of Indian Universities) with specialization in Health Management, from Indian Institute of Health Management Research (IIHMR), Jaipur, India.
2001-2003
- Bachelor in Pharmacy Gujarat University, Gujarat, India
1995-99
- Diploma in Pharmacy Bhavnagar University, Gujarat, India
1993-95

RECENT RESEARCH PROJECTS AND SERVICE CONTRACTS

- Assessment of hospital-based processes under PM-JAY. Supported by WHO India. 2019
- Development of 20 TV commercials for the National Disaster Management Authority of India. 2019

1. Debriefing health and hygiene seeking behaviour of Injecting Drug Users in Delhi, Dissertation project for PGDHM. June 2003
2. Client Satisfaction Evaluation of HIV/AIDS care and support centre in Bangalore, Summer Placement Project for PGDHM. June 2002

TEACHING EXPERIENCES – POST GRADUATE LEVEL

I am driven to academia because of my interest and passion of teaching. I appreciate interactive learning where I play a role of facilitator. In addition to PowerPoint slides, chalk and talk using whiteboard/chart papers, I have been using audio cases, video cases, Gapminder datasets and videos, written cases, debates and different kinds of hands-on activities in my teaching. I have been using lot of internet resources for teaching, including online films and online examination. I have also contributed to a few internet-based online courses at my institute and acquired interest in using internet for better learning environment for my students. I also use flipped classroom technique for my courses. I have taught following courses to MPH, MHA, and PGDPHM students of IIPHG.

Title of the courses taught	Responsibility
Essentials of Demography	Course development and Sole instructor
Fundamentals of Health Economics*	
Fundamentals of Health insurance**	
Fundamentals of Health Financing**	
Health sector reforms, PPP, NRHM	
Gender and Health	Course development and shared instructor
Project Management	
Research methodology	
Introduction to public health and health systems	
Introduction to leadership and management	
* I have also taught this course at IIHMR, Delhi, ** I have also taught this course at IHMR, Jaipur	

Additionally, I have taught various sessions on different aspects of health management, public health, and health research to a) in-service medical officers of various states of India, b) health officials from provinces of Afghanistan, c) participants of regional trainings

on monitoring and evaluation of Measure's project of UNC Chapel Hill, USA, d) International MBA program of Frankfurt School of business and Economics, e) student of other institutions like IIT Gandhinagar, CEPT, Ahmedabad, MS University, Baroda, IGNOU, SIHFW, Gandhinagar etc. and f) other under-graduate colleges in Gujarat.

FELLOWSHIP

- Recipient of scholarship place on the UCL health and society summer school on social determinants of health, University College London. 2018
- Recipient of the Public health Research Initiative (PHRI) fellowship for conducting an ethnography study on marginalized population living inside wildlife protected areas of Gujarat. 2015.
- Recipient of the Australian Leadership Award - **Fellowship to attend "Short Intensive Professional Program in HIV"** at the Sexually Transmitted Infections Research Centre (STIRC), University of Sydney, Australia. 2010.

FILMS

Apart from teaching, training and research, I have keen interest in creative writing, theater and filmmaking. Over last 2 years, I have contributed to the development of

- Ten TV commercials (40 sec) on health and related effects of extreme heat – for national disaster management authority, (NDMA India)
- Three short films on health awareness around issues of mosquito control, hand-washing and sanitation –
- Fifteen expert interviews on social determinants of health (SDH) – ARCADE project
- Demand generation films at IIPHG

These are available at IIPHG official YouTube channel (Click [here](#))

COMPUTER LITERACY

Statistical Packages - Stata 12, SPSS 10, EPI INFO

OTHER INTERESTS

- I am chair of Institutional Ethics Committee of the Indian Institute of Technology Gandhinagar during 2018-19
- I am a member of Indian Society of Applied and Behavioural Science (ISABS). I have reached to professional development programme (PDP) phase 1.

- I am a life member of a) Indian Public Health Association, and b) Indian Health Economics and Policy Association.
- I am a creative writer. A collection of my poems is available on my Facebook page (facebook.com/trivedi.mayur). My creative writings in terms of short stories, monologues, theater reviews and other thought pieces are available on my blog (gujaratdiary.blogspot.in).
- I have keen interest in wildlife and nature exploration and photography. I have been marrying my personal and professional interests through grassroots research with marginalized population.
- I have interest in theatre and films. I have contributed to it as an avid audience and as a writer, actor, and collaborator.
