

INDIAN
INSTITUTE OF
PUBLIC HEALTH
GANDHINAGAR

University established under IIPHG Act 2015 of Gujarat State

INDIA'S FIRST
PUBLIC HEALTH UNIVERSITY

PLACEMENT BROCHURE

MASTER OF
PUBLIC HEALTH

BATCH 2018-2020

*Building a
healthy nation
one life at a time...*

Building great career for young professionals

MESSAGE FROM THE DIRECTOR

Welcome to Indian Institute of Public Health Gandhinagar (IIPHG).

IIPHG has pledged to provide quality public health education to graduates of diverse disciplines.

IIPHG is established with an aim to strengthen the overall health system in the country through education, training, research and advocacy / policy initiatives. Ever since its establishment the Institution has a record of producing top quality public health & hospital management professionals. Some of our graduates are working for WHO, Unicef, Tata Trust & other as well as well-known organization state and central government. They are contributing to transforming Public Health.

The University is functioning from its vibrant, state-of-the-art lush green campus spread over 50 acres at Gandhinagar with world class research facilities and laboratories. IIPHG offers experiential growing and learning opportunities for its students through internships, projects, dissertation and research assignment. It is providing research training thereby encouraging students to pursue research careers. Diversity is one of our core values and we strive to inspire our students to be focused on bringing positive change in the world.

Students at IIPHG undergo two years of graduate education and proficiency building. The curriculum offers students the possibility to develop a scientific approach and a good theoretical understanding of the various topics that comprise the discipline of Public Health Science. Large pool of organizations in the healthcare and large hospital from the public as well as private sector provides training and internship support to create competent and committed health administration professionals.

Our Alumni are creating meaningful contribution to health sector in all parts of country and abroad. It is immense pleasure to introduce the 2018-20 batch of talented and committed students who will graduate in the year 2020.

We at IIPHG invite you to deploy our graduates to enhance the quality and productivity of healthcare system and its administration. Our institution is confident that they will make meaningful contribution to your organization and society.

Prof. Dileep Mavalankar
Director

VISION

To make India a global leader in public health & health care.

MISSION

To strengthen public health and health care in India and developing countries to world class standards. This will be done by interdisciplinary, value based teaching, research, policy advocacy and practice which is locally relevant, nationally applicable and globally recognized.

CORE VALUES

WHY RECRUIT AT IIPHG?

The most frequently quoted considerations from the past recruiters or organization regarding our student includes their ability to grasp quickly, their adaptability, their performance as team players, their admirable problem solving skills, and the positive learning attitude towards their profession. A unique feature of our University is not just limited to the domain knowledge but also on personal and social development inculcating all the spheres and ensuring a holistic approach for a future public health leader. This integral and value based formation impels our students to be innovative, competent and creative leaders. They are groomed in a manner as to serve as agents of continuous improvement and change. The students are selected from diverse background following a meticulous and rigorous selection process. This diversity has resulted in experiential learning and appreciation of different cultural nuances. A diversity of students with varied profiles and range of experience in various sectors of the health industry has opened a wide scope and flexibility of options for the recruiters to choose from.

ORGANIZATIONS WHERE THE CURRENT BATCH DID THEIR INTERNSHIP

STUDENT PROFILE

Ms. Aakrushi Brahmbhatt

B.Sc Nursing

Work experience in years: 1 year

Areas of interest

- 1. Programme management
- 2. Health policies and laws
- 3. Epidemiology & biostatistics
- 4. Non-communicable diseases

Internship during MPH/2 Months

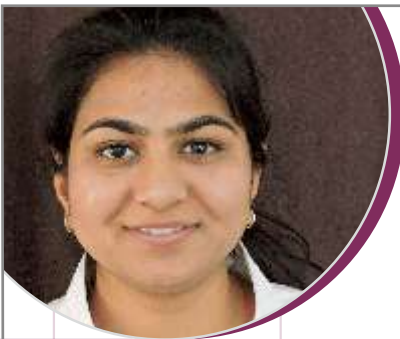

District NCD cell, Gandhinagar under State NCD cell, NHM, Gujarat
Project: Home visit for medical services for elderly people

Work experience

Staff Nurse, CIMS Hospital Pvt.Ltd.

Achievements/Extra-curricular activities

- 1. Authored a chapter on Human Body-Anatomy & Physiology in course book for Certificate Course For Geriatric Care run by IIPH-Gandhinagar
- 2. Awarded Employee of the Month at CIMS Hospital Pvt.Ltd., Ahmedabad in 2017
- 3. Awarded Emme's Scholarship, during MPH at IIPH-Gandhinagar
- 4. Gujarat University rank holder during 2nd and 3rd year of B.Sc. Nursing
- 5. Secured first position during all three years of graduation in B.Sc. Nursing

Ms. Akancha Singh

Bachelor of Science (B.Sc)

Work experience in years: Fresher

Areas of interest

- 1. RMNCH+A
- 2. Epidemiology .
- 3. Communicable diseases
- 4. Nutrition

Internship during MPH/2 Months

CETI (Collaboration to Eliminate Tuberculosis among Indians), Indore
Project: TB free India

Achievements/Extra-curricular activities

- 1. Participated in ACIES+ International Conference on Med-Tech Innovations for Primary Health Care, IIPH Gandhinagar
- 2. Awarded McKinsey Shashaktikaran Scholarship during MPH.

Mr. Abhineet Tiwari

Bachelor of Pharmacy (B. Pharm)

Work experience in years: Fresher

Areas of interest

- 1. Epidemiology
- 2. RCH
- 3. Biostatistics
- 4. Disaster management

Internship during MPH/2 Months

CARE India, Bihar
Project: Drivers of institutional delivery among rural women of Bihar.

Work experience

Staff Nurse, CIMS Hospital Pvt.Ltd.

Dr. Aishwarya Singh

Bachelor of Dental Surgery (B.D.S.)

Work experience in years: 1 year

Areas of interest

- 1. Mother and Child Health
- 2. Infectious Diseases
- 3. Non-communicable diseases

Internship during MPH/2 Months

CARE India, Bihar
Project: Literature review of Kala Azar and the Impact of migration on immunization.

Work experience

Dentist, Pathania Dental Clinic

Achievements/Extra-curricular activities

- 1. Volunteered at Regional Resource Camp; Training Centre North Zone – II (established under the Scheme of revention of Alcoholism and Substance Abuse of Ministry of Social Justice camp; Empowerment Government of India)
- 2. Volunteered at Sanjeevani Health Mela ,organised at IIT Gandhinagar.
- 3. Participated in Workshop PARVAH (Prevention And Response to Violence, Abuse & HIV in children)

1

REGISTRATION

The organization may also send a mail to mhaplacement@iiphg.org or placements@iiphg.org. The organizations are requested to register at the earliest so that we may invite them for a Pre-Placement Talk (PPT) at a mutually convenient date.

2

PRE PLACEMENT

The organization can hold a Pre- Placement Talk to disseminate information about itself and the job profiles being offered to the students. PPTs are typically held a month before the interviews and for duration of 30 minutes followed by a Q & A session. If an organization is unable to visit the campus for a PPT, it may send across any promotional material or presentation communicating the above mentioned information, which will be shared with the students.

3

PLACEMENT PROCESS ON CAMPUS

Organizations are requested to get in touch with the Placement Committee for details regarding the Placement Process On or off-campus.

4

OFFERS

At the end of the selection process, organizations are requested to give the final offers to the selected candidates.
