

## VACANCY NOTICE

### **Closing the Gaps in TB Care Cascade**

Position Code: IIPHG/USAID-TBCC/TO-FIELD OP-01

Position Title: **Technical Officer – Field Operation at State level (1)**

Location: Gandhinagar (as duty station). Need to travel to Gujarat and Jharkhand

Duration of Position: 9 Months and can be extended up to 4 Years

Brief on the Organization:

Indian Institute of Public Health Gandhinagar (IIPHG) is India's first Public Health University. IIPHG is working towards building a healthier India.

Project Brief:

IIPHG is implementing a project titled "**Closing the Gaps in TB Care Cascade**" to develop and demonstrate a monitoring framework to address TB care cascade gaps in Gujarat and Jharkhand. This project aims to strengthen district health systems in their ability to routinely and comprehensively monitor and respond to the TB care cascade. The project will develop a framework to monitor the TB care cascade and demonstrate intervention models to close cascade gaps in select geographies. Care cascades for TB sub-populations will also be created including for individuals with latent TB infection, DR-TB, co-morbidities, and other key populations.

The initiative is supported through USAID and IIPHG will be a consortium partner led by World Health Partners.

Deliverables:

- To evaluate the impact of training based on pre-decided indicators in consultation with national coordinator
- To address issues and challenges pertaining to field activities and functions
- To plan and schedule trainings sessions in close coordination with training coordinator

### **Qualification:**

**Essential:** Masters of Public health, MSc. Nutrition, AYUSH graduates with 5 yrs. of experience in relevant discipline. Experience in public health research and familiarity with public health system

Experience in report writing, data analysis and managing softwares
