Position Title: Project Coordinator (One Health)

No. of Posts: 01 (One)

Location: IIPH Gandhinagar

Duration of Position: 11 Months

Brief on the Organization:

Indian Institute of Public Health Gandhinagar (IIPHG) is a University established under IIPHG Act, 2015 of Gujarat State. It offers courses in the field of Public Health. It also undertakes various research projects in the field of Public Health. The university is established by Public Health Foundation of India (PHFI) with support from the Government of Gujarat, Department of Health & Family Welfare.

Project Brief

COHERD-IIPHG, in collaboration with EpiPointe, USA, is implementing a project titled One Health Surveillance (OHS) Approach Focusing on High-Risk Occupations to Identify Hotspots of Zoonoses in India. The primary objective of this study is to develop an efficient One Health Surveillance framework to assess the epidemiology of Brucella in multi-transmission settings across India. The study includes cross-sectional and active surveillance, where a small blood sample and a questionnaire will be administered to veterinary health professionals and livestock farmers. The study will be conducted in two different ecological settings in India: Gujarat and Maharashtra.

Deliverables:

- Oversee the implementation of the project across Gujarat and Maharashtra, ensuring adherence to timelines and objectives.
- Coordinate with funders and other stakeholders to facilitate the smooth execution of project activities.
- Monitor and evaluate project progress and prepare monthly and quarterly progress reports.
- Ensure compliance with ethical guidelines for human and animal research.
- Manage project budgets and procurements, ensuring financial accountability.
- Organize and lead team meetings, workshops, and capacity-building activities.
- Any other activities as assigned by the PI or supervisor.

Qualification: Master's degree in Public Health, Veterinary Science, or a related discipline.

Desirable: Public Health experience of minimum 3-4 years with independent project management skills.

Experience: At least 3-4 years of experience in One Health/ infectious disease/ veterinary science

Desirable: Experience working with public and private national and international organizations.

Last Date of Receipt of Applications: 20th January, 2025.
