Position Title: Consultant (Freelancing work)

No. of Posts: 01 (One)

Brief on the Organization:

Indian Institute of Public Health Gandhinagar (IIPHG) is a University established under IIPHG Act, 2015 of Gujarat State. It offers courses in the field of Public Health. It also undertakes various research projects in the field of Public Health. The university is established by Public Health Foundation of India (PHFI) with support from the Government of Gujarat, Department of Health & Family Welfare.

Project Brief

The project is a long-term Healthcare Leadership Enhancement Program (HELP) for nominated potential leaders working with the Government of Gujarat (GoG). It aims to mentor leaders in the hospital and public health sectors. Key activities include training needs assessment for a newly added cadre, developing case studies as teaching aids, documenting success stories from the first batch, conducting a situation analysis in Gujarat, developing field assignments and training materials, interviewing leaders, engaging mentors, liaising with government stakeholders, and overall project management. Currently in its third phase, the program continues to strengthen leadership in healthcare.
