

VACANCY NOTICE: Research Associate

Publish Date: 28th May, 2025

Project Name: UNICEF Midwifery Documentation

Position Code: IIPHG/REC/2025-26/14

Position Title: Research Associate

No. of Posts: 01 (One)

Location: IIPH Gandhinagar

Duration of Position: 06 Months

Brief on the Organization:

Indian Institute of Public Health Gandhinagar (IIPHG) is a University established under IIPHG Act, 2015 of Gujarat State. It offers courses in the field of Public Health. It also undertakes various research projects in the field of Public Health. The university is established by Public Health Foundation of India (PHFI) with support from the Government of Gujarat, Department of Health & Family Welfare.

Project Brief

The aim of the project is to document India's National midwifery initiative, both policy development and implementation across different states. The project is for 6 month's duration. The project aims to identify the good practices, lessons learned and replicable models for furthering Midwifery care models in India Context. Project team is required to identify bottlenecks and challenges for mitigating measures and actions towards further strengthening and scaling up the collaborative midwifery care models. The outcome of the project will be evidence-based recommendations and lessons learnt for the national midwifery initiative. There is a possibility of publishing papers out of this work towards dissemination for countries transitioning to midwife-led-care model.
